Home Care Expert Guidance Video

Managing a home care agency is no easy task. Due to the ever-changing federal & state home health regulations, and generic payroll and HR solutions are not enough.

Published January 9, 2020

Do you wish your current HCM software was able to tell you whenever a new law or regulation affecting your business passes or was able to provide you with those time-consuming reports that are always due yesterday? We get it! You went into the industry to make a difference in the lives of clients and their families, but now you are probably busy keeping up with every law to stay compliant in order to avoid hefty fines. Managing a home care agency is no easy task due to the ever-changing federal and state home health regulations, and generic payroll and HR solutions are just not cutting it. Solution? **Expert Guidance Payroll Software.**
