Published February 26, 2021

Viventium has been fortunate to partner with DailyPay, which provides employees with financial freedom when it comes to their pay. Viventium and DailyPay launched an API-integrated partnership in April 2020, enabling Viventium clients to offer DailyPay's on-demand pay solution to their employees. Our Chief Marketing Officer, Terra Vicario, recently talked with DailyPay about her job at Viventium and the value of the DailyPay-Viventium partnership, which was published in an article by DailyPay. Check out the full article by clicking on the button below.
