BERKELEY HEIGHTS, N.J., March 31, 2022 (GLOBE NEWSWIRE) -- Viventium, a SaaS-based human capital management solution that provides a remarkable user experience and award-winning software, and Right at Home, a leading in-home care franchise group, today announced a strategic partnership. The adoption of Viventium software eases the administrative burden for Right at Home franchise agency owners and staff through automation while enhancing the caregiver experience through pay transparency, ease of use, and flexible pay options. “We’re excited to continue to provide our industry-leading technology and expertise to home care franchise groups committed to supporting their franchisees with HCM software designed specifically for the home care industry,” said Dan Neuburger, Viventium CEO. “The careful selection process by Right at Home ensures its agencies receive the help they need in addressing industry challenges such as compliance and caregiver retention. We’re proud to have been selected by Right at Home to help address these challenges.” Right at Home chose Viventium for its ability to make complex home care payroll and HR easier and more efficient. In addition to award-winning payroll and HR technology built for home care, Right at Home will benefit from Viventium’s full suite of services and integrations with other leading home care technology companies. "Viventium is a forward-thinking payroll and HR provider,” said Nichole Holles, Vice President of Human Resources at Right at Home. “We're thrilled to partner with Viventium to provide top tier payroll and HR choices to Right at Home franchisees. With the rapid changes and growing HR and payroll needs of home care agencies, these services are more important than ever. We believe Viventium is poised to not only meet the current needs but also with future needs as the landscape evolves.” To learn more about Viventium, visit https://www.viventium.com.
