BERKELEY HEIGHTS, N.J., June 28, 2023 (GLOBE NEWSWIRE) -- G2, the world's largest and most trusted software marketplace, released its Spring 2023 Reports on Payroll and HR software. Viventium, a SaaS-based human capital management solution, achieved Easiest Admin and Highest User Adoption awards based on the responses of real users for each of the payroll and HR software-related questions featured in the G2 review form. "Viventium is thrilled to continue to be recognized in G2 reports," said Dan Neuburger, Viventium's Chief Executive Officer. "We take much pride in the consistent assurance that our payroll and HR software suite built for the health services industry exceeds our clients' expectations." Viventium achieved Easiest Admin and Highest User Adoption on the payroll and HR software reports by receiving positive reviews from verified users compared to similar products in the payroll and HR software categories. For inclusion in these reports, a product must have received ten or more reviews. "Rankings on G2 reports are based on data provided to us by real software buyers," said Sara Rossio, Chief Product Officer at G2. "Potential buyers know they can trust these insights when researching and selecting software because they're rooted in vetted, verified, and authentic reviews."
