BROOKLYN, NY (February 22, 2017) – Viventium Software, Inc. – a transformative, living, and purely cloud-based HCM solution that provides actionable insight into your business – today announced an alliance with Equifax Workforce Solutions to help ease employer HR burdens. As part of its efforts to provide its clients with full end-to-end human capital management solutions, Viventium has entered into a reseller agreement with Equifax Workforce Solutions to bring its clients The Work Number, a database containing income and employment information. The Work Number, provided by Equifax Workforce Solutions, provides employment and income verification services that streamline the transfer of information between employers and verifiers. Whether it's buying a car or applying for government benefits, employees can ultimately benefit from the secure and accelerated decision process created by Equifax Workforce Solutions' verification service. "Working with Equifax Workforce Solutions provides the fastest and most secure income and employment verification for our clients' employees, removing one more burden for HR departments," said Viventium CEO Gary J. Trainor. The Work Number provides instant employment and salary verifications 24 hours a day, 7 days a week, and helps reduce the level of employer involvement in the process. Viventium has made The Work Number service from Equifax Workforce Solutions available for clients as of today. **About Viventium Software, Inc.
