TLNT Publishes an Article from Viventium: What If Dr. Seuss Wrote About Payroll

Today is Dr. Seuss's birthday, and to celebrate, I thought of a fun way to combine some of Dr. Seuss's beloved works with the world of payroll.

Published March 3, 2020

TLNT serves up news, analysis, and opinion on the business of HR for human resource and talent management leaders and professionals. Topics covered include analysis and insight into talent and HR management, training and development, benefits, compensation, legal/ethics, and HR software and technology, among others. Today is Dr. Seuss's birthday, and to celebrate, I thought of a fun way to combine some of Dr. Seuss's beloved works with the world of payroll. In the spirit of Dr. Seuss, here are some payroll rhymes that are catchy and helpful to remember. Read the full article from TLNT by clicking on the button below.
